

High Mass Servers' Report

As usual, the past year has seen a few losses and gains among those who regularly serve. Sadly, ill-health has reduced our numbers, and Sarah Burrows has left us to go to university; but we have been glad to welcome Ben Whittaker to the team, and Isla Hudson has graduated from Boat Girl to Acolyte. Nevertheless, it has been difficult to assemble a full serving team for every service, and we have occasionally called upon David White and Tom Williams to step in. If anyone is interested in becoming a server, or has children between six and nine who would like to act as a Boat Boy or Girl, please speak to me or one of the team. Those currently serving include:

Joyce Cross (helping with robing and last minute emergencies), Tim Dalby, Joseph Harrison*, James and Isla Hudson, Richard Hilton*, Christian Kam*, Anna Pickering, John Sunderland*, Corrie Sunderland, and Ben Whittaker. (An asterisk indicates those who also serve as Subdeacon.)
